On **Friday, October 16th** we will open our doors from 9 am to 2 pm to welcome prospective new families for the 2010-2011 school year.

We need **parent volunteers** to be at school on Oct. 16th to greet prospective new families, to show new families hospitality, and to answer their questions about St. Camillus School. We especially need parents who speak Spanish and French.

We also need **current families to spread the word about our open house to friends, family, neighbors, and coworkers.** See the flyer in today’s red folder that you can share with others about our open house. **There are also brochures and posters available to download on the school website.**

PTSO Family Game Night
Friday, October 23rd

Test Results – Today our 6th, 7th, and 8th graders took computerized assessments from Kaplan Tutoring to help determine how they are doing. **Parents may pick up those results from representatives of Kaplan tomorrow night at 6 pm in the Science Room.**

It's Your Community Too!

The parish is inviting all members of the parish community (which includes all school families) to a series of town hall meetings. The purpose of these town hall meetings is to reflect, discuss, and plan for the future of our parish community.

The last town hall meetings will be held this Saturday, each one will address a different topic, and child care will be provided to enable as many families to attend. You can read the study groups' reports online at
